

How to Get the Reduced ATM Mobility Pass for Indian Students in Milan?

The **annual ATM mobility pass** allows students to access all public transportation in Milan, including **trains, buses, trams, and the metro**, starting at **€50 per year** (depending on the travel zones). To be eligible for this discounted rate, your **ISEEO** (*Indicatore della Situazione Economica Equivalente per l'Orientamento*) **value must be less than €6,000**.

Almost all Indian students qualify under this threshold. However, you must obtain an official **ISEEO certificate**, which is issued by **authorized CAF** (*Centro di Assistenza Fiscale*) **offices**. The list of authorized CAF offices can be found at the link below.

Important: Most authorized CAF offices **only accept cash payments**, so make sure to carry sufficient cash when visiting.

Additionally, it is strongly recommended **not to use unregistered CAF offices or agents** outside of the list provided by ATM. Some unauthorized agents charge extra fees, and there have been reports of **data theft and misuse**.

Important Information & Deadlines

1. **The subscription starts on the 1st of each month** and is valid for 12 months. However, you must apply **before the 10th of the previous month**.
2. If you do not already have an **ISEEO certificate** (which can be obtained online for free through the **INPS website**), it will take an additional **week or more** for the CAF office to issue one, usually at a cost of **€10**.
3. **Most CAF offices operate by appointment only**, so be sure to **book your appointment in advance**.
4. **Example:** If you want your ATM card to be valid from **November 1, 2025**, you must complete the process **by October 10, 2025**. To do this, **email the CAF office by September 15, 2025**, requesting an appointment and mentioning that you also need an **ISEEO certificate**.
